# Styled For Looks

Make any road yours with a drive styled for your style.

**LED Headlamps\*** - The new headlamps of the Yaris were redesigned to accentuate the Daytime Running Lights, leading your way in style.

**Front LED Foglamps** - While the revamped foglamps look better than ever, it also improves visibility. Especially in situations where mist, fog, and dust are present on the road.

**New Front Grille Design** - The Yaris' sporty mesh type, new front grille will definitely get you all the attention on the road.

**Rear Combination Lamps with LED Line Guide\*** - The Yaris' LED Rear Combination Lamps provide an awe-inspiring balance of sleek design, and effective function.

**Daytime Running Lights\*** - Strikingly appealing upon sight, the Toyota Yaris' Daytime Running Lights also enhances safety with better visibility even in broad daylight.

**Rear Spoiler** - The Yaris' Rear Spoiler is a designer touch to give your ride an added bit of style and personality.

*\*Available for S variant*

# Styled for Function

Enjoy up-to-date features styled to fit your driving style.

**Synthetic Leather Seats - New Interior Trims\*** - The Yaris' new interiors are made more premium to match its stylish exterior design.

**Paddle Shifter\*** - Conveniently placed behind the steering wheel, the Paddle Shifter gives your gear shifting a sportier, manual feel; especially during overtaking maneuvers.

**Push Start System\*** - With the Push-Start System, you can get the engine running instantly with just a quick press of a button.

**Steering Switches** - The steering wheel in the new Yaris is designed for you to easily maneuver. It also has audio switches, so you can quickly turn the volume up or down.

**Apple Carplay & Android Auto** - Sharp and vivid, this entertainment system lets you utilize both iOS and Android devices for a more customizable and convenient drive.

**Smart Entry\*** - With Smart Entry, getting in the Yaris has never been this easy and convenient. Even with the key in your pocket, it allows you to lock and unlock your car just by touching the door handle.

\*Available for S variant

# Styled for Safety

Feel secure and protected with features designed for your safety and comfort.

**Anti-Lock Braking System** - The Yaris' Anti-lock Braking System gives you the safety margin of being able to steer during sudden hard braking by preventing your wheels from locking up.

**Vehicle Stability Control** - Vehicle Stability Control keeps you safe by helping you prevent side skids, and assists in stabilizing the car when abruptly turning on a tight curve.

**Hill Start Assist** - Safely advance from a full stop, with ease, when you're going uphill with the Hill-Start Assist Control.

**7 SRS Airbags** - As a true class-leading hatchback, the Toyota Yaris cocoons you and your passengers in utmost safety with numerous airbags.

**Speed-Sensing Door Lock\*** - With automated safety features like the Speed-Sensing Door Lock, you can be certain that you get full protection in your new Yaris, no matter what speed you're driving in.

**Rear Foglamps** - The Rear Foglamps were made to make your presence known to other drivers to keep you, and those around you, safe while on the road.
